

November is Rotary Foundation Month - a time to celebrate and support the Foundation's vital work funding projects that promote peace, fight disease, provide clean water, and strengthen communities.

The Club recently received a heartfelt thank-you from the **Boys and Girls Clubs of BC for sponsoring four children to attend Camp Potlatch** this summer. Each year, the Rotary Club of Lions Gate proudly provides four camperships, giving deserving young people the chance to experience the outdoors on the beautiful shores of Howe Sound.

Camp Potlatch offers canoeing, hiking, teamwork, and leadership development in a safe, supportive setting. For many, it's a first opportunity to explore nature and build lasting friendships - helping youth grow in confidence, resilience, and connection while strengthening our community.

Rotary World Help recently received a warm letter of appreciation from **Ambassador Tewodros Girma of the Embassy of Ethiopia**. The Ambassador expressed his gratitude for Rotary's support in delivering a shipment of donated medical and humanitarian supplies to those in need, noting it was an honour for his Embassy to help facilitate the transfer. He praised the Rotary World Help team for their dedication and compassion in assisting the less fortunate.

The Rotary Club of Lions Gate North Vancouver, a founding member of Rotary World Help, continues to support this important global effort through volunteer participation in regular loadings.

On Wednesday, October 15, the Club hosted its first Seniors Lunch and Learn session in West Vancouver, expanding on the great success of the North Vancouver program. This highly successful initiative provides seniors with an enjoyable lunch while learning about topics that matter to them.

We thank the Rotary Club of West Vancouver Sunrise for their valued partnership and support in bringing this meaningful community program to a wider audience.

The Club held an ***enjoyable social evening*** on Friday, October 17, bringing together members, family, and friends to share in fellowship, laughter, and good cheer. The evening offered a wonderful opportunity to relax, connect, strengthen friendships, and get to know our newest members.

Special thanks to Elko and Barbara for graciously hosting the event and ensuring everyone felt welcome - it was a fun evening enjoyed by all.

Shirley, Ron, and Eric recently attended the ***Windsor Secondary Interact Club Installation***. This very active club looks forward to another rewarding year of service. DGN Ron presented the club with a Club Achievement Award for the 2024 - 2025 Rotary year.

Windsor Secondary Interact has earned this award every year - an inspiring testament to the members' dedication, enthusiasm, and commitment to making a positive difference in their community.

Thank you, **Rotary Club of North Vancouver**, for inviting Rotary Club of Lions Gate North Vancouver to join you in sorting glasses at **Third World Eye Care Society Canada** so they can be sent overseas to those less fortunate.

Third World Eye Care Society Canada is a volunteer organization of eye care professionals dedicated to restoring sight and providing vision care to people in developing countries.

We extend our heartfelt gratitude to our partners who support us throughout the year. Your assistance helps make our work possible. Thank you.
